

# Veterinarian (Small Ruminant)

## BREEDING SERVICES DIVISION

**Job Description:** Small ruminant Veterinarian for our Breeding Services Division.

**Job Summary:** The Veterinarian must have a passion for animal agriculture reproduction and the ability to thrive in a fast-paced environment. This individual will work alongside veterinary technicians and embryologists to assure the success of our sheep and goat breeding programs. The position will play a key role in supporting the growth and demand of our services. This position reports to the Breeding Services Division Lead.

### **Job Responsibilities:**

- Perform surgical procedures at a very high level
- Surgical embryo collection surgeries and Surgical embryo transfers in the clinic and on farms, of both sheep and goats
- Perform laparoscopic procedures necessary for, but not limited to, ovary analysis, embryo implantation, ovum pickup and artificial insemination.
- Perform laparoscopic ovum pickup procedures for small ruminant IVF embryo production
- Assist the Breeding Services Team in reviewing and designing superovulation and synchronization protocols for donors and recipients
- Evaluate pregnancy status in recipients post-implant using ultrasonography
- Maintain a professional image reflective of RSG's industry position.
- Follow RSG's policies and procedures.
- Other duties as assigned.

### **Education and Qualifications/Skills Requirements:**

- Veterinary degree with experience in small ruminant work
- Good hand to eye coordination and excellent fine motor skills.
- Strong attention to detail and organization.
- Works effectively in a team as well as alone (ability to work independently)
- Excellent interpersonal skills
- Comfortable handling sheep and goats & lifting up to 50 pounds
- Self-motivated
- Ability to travel to farms and other host sites to do work
- Willingness to travel for extended periods of time during peak breeding season (June thru September)
- Collaborate across multiple teams
- Knowledgeable in Microsoft Office products and very proficient with Excel
- Must be a US citizen or possess a current and appropriate working visa
- Must hold a valid driver's license with a clean record
